

## CAPE COD VIEWFINDERS CAMERA CLUB

### SLIDE PREPARATION

- Place a spot on the lower left corner of the slide as it is to be viewed.
- Print your name in the top margin of the slide.
- Turn the slide around so the spot is now in the upper right corner. This is the way it will be placed in the carousel.
- Print the Title of the slide to the left of the spot.
- Print the Class and Category in the left or right margin of the slide, i.e.:

"Pictorial - B"

"Pictorial - A"

"Pictorial - M"

"Nature - B"

"Nature - A"

"Nature - M"

Special Category slides are all judged together and should be marked "Portraiture", "Photojournalism" or "Contemporary" as appropriate.

- See page 6 of your copy of the green "Rules For Slide Competition" for an illustration of the above.

### REGISTRATION SLIPS

- You have been provided with a supply of self adhesive strips to be used to register your slides. Your careful preparation of them will speed the registration process by eliminating time-consuming writing on the entry sheets during registration.
- Please be certain to PRINT legibly since these strips will be used during the competition to callout slide titles and announce winners.
- The strips should be filled out as follows:

PRINT one slide title and your name on each strip. Check the category (Nature, Pictorial or special) and circle your competition class. If you have 4 or 5 slides to enter you must prepare a separate strip for each slide. The strip should look like this example of a "Beginners Class" entry:

Title: Snowy Egret .

Name: I.M. GOOD .

Slide:      Nature B A M      Pictorial B A M      Special

- DO NOT put these strips on your slides. They are sized to correspond to our entry sheets. Leave the strips on their backing sheet and bring them with your slides to the competition night meeting.

## CAPE COD VIEWFINDERS CAMERA CLUB

### **SLIDE ENTRY**

- Competition entry tables will be set up at the front of the meeting room and manned by several volunteer registrars.
- There will be seven slide entry stations on the tables marked "Pictorial -B", "Nature -B", "Pictorial -A" etc.
- Hand your slides individually to the appropriate registrar along with your previously prepared self adhesive strip for that slide.
- The registrar will affix the strip to the competition entry form, assign a carousel slot and place the slide in the carousel.
- You will be given a numbered and color- coded "receipt" for each slide. The number will correspond to the slot number in the carousel. Return your "receipt" at the end of the evening to retrieve your slide(s). (See SLIDE PICK-UP below).
- The registration desk will be open by 6:40 PM.

### **IMPORTANT!**

- You must have your entries in no later than 7 :00 PM on competition night. This is necessary so that the competition committee will have time to finish the registration sheets and load the carousels.
- If you cannot get to a competition night earlier than the 7:00 PM cut-off time please have a friend bring your entries or contact the competition committee to make other arrangements.

### **SLIDE PICK-UP**

- We plan to return your slides to you after each competition. Exception: If your slides earn a First, Second or Third Place or an Honorable Mention our NECCC Chairman would like to keep them as possible entries into NECCC Competitions. They will also be passed along to the PSA Chairman for potential entry in that organizations competitions. They will be returned to you by the PSA Chairman after those competitions.
- After each competition the slides will be in the carousels on a table in the back of the room. Please give your numbered receipt to the committee member at the table who will then remove your slides from the carousel and hand them to you.
